# Benefits of *Sponsorship*

## Event Overview

Hope Restored Canada is proud to present the **first annual Renewed Hope Gala**, a premier fundraising event dedicated to supporting survivors of sexual exploitation and trafficking. **Attendees** Community leaders, corporate sponsors, philanthropists, and supporters of Hope Restored Canada

## Why Sponsor?

Human Trafficking is one of the fastest growing crimes in Canada with 93% of victims being women and girls. The average age of entry is 13 years of age, with 23% of victims being under the age of 17. Indigenous people in Canada make up 5% of our total population, with over 51% of victims being indigenous. 91% of victims are trafficked by someone they know, with 34% being an intimate partner.

Offering survivor support is crucial when someone is exiting a life of abuse because the transition from exploitation to independence is complex and filled with challenges. Without proper support, survivors are at high risk of re-exploitation, homelessness, mental health crises, and continued cycles of trauma. Survivor supports provide the stability, safety, and tools necessary for long-term healing and empowerment.

Your sponsorship will directly support survivors on their journey to healing, independence, and a brighter future. **By partnering with Hope Restored Canada, your business will:**

- Demonstrate corporate social responsibility and community leadership
- Increase brand visibility among a passionate audience
- Make a meaningful impact in the lives of survivors
